08th June 2017

Dear Parents

Summerfield Summer Holiday Playscheme

From September we have a new Sports Coach within school. The role will deliver enhanced sports within our school with capacity for us to deliver an extended holiday childcare for your child.

The extended holiday childcare has the potential for us to run three extra weeks of childcare outside of the school term.

We would like to gauge your interest in your child to participating in a scheme. The scheme would be paid for by yourselves, the cost is approximately £20 per day. Initially we would consider the additional programme to run the first week of the Easter Holiday, the first two weeks of the Summer Holiday and to cover Inset Days.

Could you please complete the slip below indicating your interest and return the completed slip to the school office **no later than Friday 16th June.**

Yours sincerely

Mrs P Weston
Head Teacher
