

Summerfield Vision

Develop highly motivated independent learners who value and enjoy learning

- Develop enquiring minds and a thirst for knowledge.
- Motivate children by providing exciting learning opportunities that they see as relevant to their own lives.
- Equip children with the skills necessary to take ownership of their learning.
- Encourage children to make reasoned choices about their learning.
- Empower our children to take pride in their achievements and build on their successes.

Provide an enriched, adventurous and creative curriculum to support children in developing their full potential.

- Recognise and encourage everyone's talents and celebrate them.
- Provide a broad and balanced curriculum with every opportunity taken to enrich the learning experience.
- Raise the profile of all aspects of the creative and expressive arts.
- Provide regular learning experiences beyond the classroom.
- Invest in and embrace the use of new technology to enrich learning.
- Ensure that provision is in place to move our school on an upward spiral compared to others nationally.

Equip our children with the values that will make them responsible citizens.

- Maintain high standards of behaviour throughout the school.
- Ensure that all members of the school community consistently model good behaviour.
- Promote the concept of well-being.
- Encourage diversity and welcome visitors to our school who have different faiths, beliefs and experiences.
- Provide opportunities for children to share special celebrations with their peers.
- Invite local resident participation in school activities and celebrations.
- Maintain strong links with local, national and international organisations.
- Encourage all children to participate in a wide range of activities regardless of race, gender or ability.
- Teach our children British values.
